- Maintained and enhanced existing systems while ensuring application reliability and performance.

March
2021 - July
2021

DOH Regional Office 2, Tuguegarao City, Province Of Cagayan, Philippines

IT Job Order

During the pandemic, I worked at the **Department of Health (DOH) Regional Office** as an **IT Support Staff**, where I was responsible for a range of **IT-related tasks**, including providing technical assistance, troubleshooting hardware and software issues, and maintaining the office's digital infrastructure to ensure seamless operations.

My primary responsibility, however, was utilizing **Microsoft Excel** to manage and organize data related to **COVID-19 vaccination activities** across the entire region. This involved recording, consolidating, and maintaining accurate vaccination records to support reporting and decision-making processes.

February
2017 -
April 2019

SuperValue, Inc, Pasay, Metro Manila

IT Assistant

- Maintained and enhanced internal business applications using VB.NET to support daily business operations and improve system reliability.
- Developed custom ASP.NET web applications that streamlined employee workflows and reduced manual processes.
- Provided technical support and troubleshooting for application-related issues.

Education

June 2001

Holy Trinity Montessori School, Tuguegarao City, Province Of Cagayan, Philippines

March
2012

University of St. Louis Tuguegarao City, Tuguegarao City, Province Of Cagayan, Philippines

May 2016

Bachelor of Science in Information Technology

St. Paul University Philippines, Tuguegarao City, Province Of Cagayan, Philippines

- Best in Thesis (Silver Medal): Graduate School Evaluation System (Web Platform)
